Continence - *Erasing its taboos*

Autumn Seminar 2010

Facilitating Regional Continence Seminar

Monday 11th October 2010 at Thestudio | 7 Cannon Street | Birmingham | B2 5EP

Secure your place on this highly topical workshop. This event will offer delegates the opportunity to hear leaders and providers both within Social and Health care to speak on the influences the new political changes will have on the future of Continence services across the Health economy. We have invited speakers and workshop facilities to focus on local and practical solutions for the future.

The day will be chaired by Carmileta Charles, ARC affiliate member principle consultant I.D.E.A, and delegates will have the opportunity to pose questions specific about their services, to the panel of speakers.
